

# STRENGTHEN SOCIAL SECURITY

**...don't cut it.**

House Committee on Ways and Means  
United States House of Representatives  
1102 Longworth Building  
Washington, DC 20515

Dear Chairman Camp, Ranking Member Levin, Chairman Johnson, and Ranking Member Becerra,

The Strengthen Social Security Coalition, which is comprised of over 350 national and statewide organizations including women's, labor, veterans, aging, and civil rights groups appreciate your timely introduction of the No Social Security for Nazi's Act (HR 5739).

It is under unfortunate extraordinary circumstances that a group of individuals involved in Nazi persecutions have been receiving Social Security benefits. These war criminals should never have been allowed to enter the United States and should never have received Social Security benefits. The bipartisan legislation that has been introduced presents a solution for this extraordinary circumstance and respects the hard work and contribution of Americans who have earned their benefits. Thank you for defending the Social Security benefits that have been earned by the American people.

Sincerely,

Eric Kingson  
Coalition Co-Chair
